Fundraiser

Hit-A-Thon: A Celebration of Strength and Skill

Join us on January 18th, 2025, for the 2nd annual Hit-A-Thon event, where all players will have three opportunities to hit five balls and make them fly! We'll combine the distances of their farthest three hits to determine each player's score, with a maximum of 1200 feet.

To pay tribute to their prowess, we welcome donations in various forms. If you prefer a subtle tribute, a penny per foot is sufficient, with a maximum donation of \$12. For the more generous, ten cents per foot may be bestowed, with a generous cap of \$120. For those who hold their might in the highest regard, a donation of fifty cents per foot is appreciated, with a ceiling as grand as \$600. Flat donations are also welcome. Let's celebrate their amazing talent!

We are raising money for our local tournament costs and the trip to Florida in May to compete in the Homeschool World Series. The Texans Homeschool Athletic Foundation exists to provide homeschool athletes with competitive high school opportunities. We are a 501C3 organization and all donations are tax deductible.

Thank you for your support!
